

ANNUAL HEALTH CONFERENCE

Rural Living: How zip codes predict health outcomes.

Thursday, October 17th, 2024 from 8am-2:30pm

The LUX Hotel & Conference Center 2468 State Rte 414, Waterloo, NY, 13165

We hope you'll join us for our **24th Annual Health Conference (AHC)** where we'll bring together educators, medical staff and service providers from all over the Finger Lakes for a day of professional development and training!

This year, we're excited to have partnered with experts in their field so we can gain a true understanding of how zip codes are the biggest predictor of health outcomes, mis and dis-information, social driver's of health, and so much more! The day will be filled with interactive presentations, resources and networking opportunities. In addition, attendees can customize their afternoon schedule to ensure they get the most out of the day. Register today! **#AHC24**

Cost \$80 per person
(Limited scholarships available)
